We have principles. What next?

- What Implementation Framework
- Educating & publicising ...
- Remedies
- What happens when personal information leaves your economy and goes to another?

Implementation Framework

- Direct regulation by law
- Standards
 - AICPA/CICA Framework
www.aicpa.org/innovation/baas/ewp/privacy_framework.asp
 - Others
- Co-regulation – a legal backing of codes or binding corporate rules
- Accreditation to a Seal or another self-regulation code
- Self-regulation, eg Codes
- Leave it to the market

Remedies

- Direct consumer – organisation resolution
- Alternative Dispute Resolution
 - Public – (privacy) regulator mediates
 - Private – Seals; Trust Marks
- Rulings & Determinations by (privacy) regulator
- Courts
- Apology, restitution, compensation, fines, injunctions

But whatever you do:

It must be

- Ethical
- Effective
- Efficient

And remember:

- There is a huge range of experience in this room
- Use it! Follow up!
